Construction Begins on Clubhouse, Amenities at Burke Lake

The Fairfax County Park Authority will soon begin work to construct a new 4,000 square foot clubhouse, a two-story driving range structure, a parking lot expansion and preparations for future expanded practice short game areas at the Burke Lake Golf Center. The \$8.1 million total project cost – including the sanitary sewer, new clubhouse, and driving range structure – is funded by 2008 and 2012 park bonds.

The contractor will be mobilizing on site on August 15, 2016 for the parking lot expansion. The driving range and clubhouse construction will begin October 3. The driving range will close on October 3. Driving range construction is expected to be completed in April 2017. The new driving range will open for public use in May 2017. The existing clubhouse will remain open during construction. The new clubhouse is expected to open in October 2017. Residents, golfers, and trail users should expect occasional construction traffic entering and exiting the site from the golf course and main park entrances.

For more information, please contact the Project Manager Eric Inman at Eric.Inman@fairfaxcounty.gov or 703-324-8698. You can also find more project information and renderings of the new structures online at <http://www.fairfaxcounty.gov/parks/plandev/downloads/burke-lake-golf-pres-022516.pdf>
