Entrance and Parking Lot Renovations to Begin at Nottoway Park

A three-week pavement surface renovation project gets underway on Monday, October 31, 2016, at Nottoway Park that will affect traffic flow in the park. The project is phased in order to limit the impact on park users during construction.

The \$490,000 project will include renovations to the entrance road and parking lots at the park. The worn-out pavement has exceeded its service life and is in need of replacement. Nottoway Park and the visitor center will remain open during the project. Fairfax County Maintenance funds are being utilized for this project. Nottoway Park is located at 9610 Courthouse Rd. in Vienna, Va.

For more information, contact Project Manager Malak Bahrami at 703-324-8747 or the Public Information Office at 703-324-8662.
