## Colvin Run Mill Spins Something New Out of the Old

There's both new and old at Colvin Run Mill Historic Site.

The old, of course, is the magnificent, historic, working mill at the park in Great Falls, Va. The new are products that the mill is producing. The 200-year-old mill still works and still produces flour and meal for sale.

Just in time for the holidays, Colvin Run has done a limited run of milled grains that the site doesn't normally offer. Roasted Cornmeal, Buckwheat Flour, Rye Flour, and Organically Grown Hard Wheat Flour are available at the park's country store. These new grains are in addition to the site's core products, which are also available.

The Roasted Cornmeal is \$5 for a two-pound bag. All other products are \$6 for two pounds. The limited-run products are only available while supplies last.

Colvin Run Mill is located at 10017 Colvin Run Road in Great Falls, Va. More information is available by calling the park at 703-759-2771 or on the park's website at [www.fairfaxcounty.gov/parks/colvinrunmill/](http://www.fairfaxcounty.gov/parks/colvinrunmill/).
