Mill around Colvin Run and Learn to Turn Grain into Flour

What does it take to turn grain into flour or corn into corn meal? Find out how it was done in years past as Colvin Run Mill demonstrates the milling process from beginning to end two Sundays in July.

In this hands-on program on July 10 and July 31, 2016, you will learn how old-time millers cleaned, milled and sifted grains and see antique equipment in action. After the program from 1 to 3 p.m., everyone gets to go home with a souvenir sample bag of what is milled in class.

This is a great family program for adults and children age six or older. The cost is \$20 per person.

Colvin Run Mill is located at 10017 Colvin Run Rd, Great Falls, VA. For more information, call 703-759-2771 or visit <http://www.fairfaxcounty.gov/parks/colvinrunmill/>.
