Summer Camp on a Farm? It's the Perfect Place.

Explore the workings of Frying Pan Farm Park in Herndon, Va., during a variety of camps this summer. Frying Pan's camps include Adventures on the Farm, where five-to-ten year-olds visit the farm daily, explore the dairy, and learn about animals and their babies. The camp runs weekly through August. At Farm Zoology Camp, children from 8-to-14 years learn about the science behind the animals living on the farm. Campers learn about the animals' habits and biology and meet creatures that live in the park's stream and forest. Zoology camp weeks start on August 1 and 22, 2016.

The farm inspires the creative side of 8-14 year-olds at 3-D Farm Sculpture & Beyond. Campers make art projects using recycled objects and things found on the farm. Starting dates for the camp are July 25 and August 8.

Frying Pan's many other camp topics include photography, animals, chess, history, sewing, science, zoology, horses, and a variety of art topics. Camps at the farm run through August.

Frying Pan Farm Park is located at 2709 West Ox Road in Herndon, Va. The telephone number for more information about the park is 703-437-9101. To see all of the camps at Frying Pan Farm Park, visit <http://go.usa.gov/xqvPm>.
