This Saturday Let Us Entertain Your Kids

There are wonderful children’s performances this weekend at your local parks and unlike the local theater, the mall or other amusements, they are absolutely free! The Fairfax County Park Authority wants to invite you to some great performances the first Saturday in July, free of charge. The kids will love these exciting and interactive shows on Saturday, July 2, 2016.

123 Andrés is back in Virginia! Andrés is one of the most exciting new voices on the children’s music scene - his music makes everyone sing, dance and learn - in Spanish and English. A native of Colombia, both his debut CD and his live performances are infused with south of the border sensibilities. He has been hailed by Billboard as a "rock star for little language learners." Come sing a song and have some fun at Burke Lake Park Amphitheater located at 7315 Ox Road, Fairfax Station, Va. from 10 until 11 a.m.

The Great Zucchini has done a reappearing act and is back in town as well. The Great Zucchini, Washington's funniest, most magical preschool and kindergarten entertainer is coming to E.C. Lawrence Park Amphitheater located at 5040 Walney Road in Chantilly. Experience the excitement from 10 until 11 a.m.

Guess who is back? Rocknoceros is a sensational three-man band performing original children's songs and much-loved favorites. NPR calls it, "An outstanding mix of folk and rock...literate songs...multi-generational appeal." Wildly popular, award-winning music for the whole family! Rocknoceros performs at Lake Fairfax Park Amphitheater located at 1400 Lake Fairfax Drive, Reston, Va. from 10 until 11 a.m.

The Goodlife Theater presents an interactive show that children will love. In “The Fabulous Five Senses,” the audience comes to the aid of a puppet who needs help in acquiring the senses of sight, smell, touch, taste and hearing, then travels back in time. Come be a part of the fun at Mason District Park Amphitheater, located 6621 Columbia Pike in Annandale.

For last-minute cancellations due to inclement weather, call 703-324-SHOW (7469) one hour prior to the program start time
