Learn to Landscape Like a Pro by Bringing Contrasts to Your Garden

Find out one of the ways professional landscapers bring beauty to lawns and gardens by learning about textures and contrasts at Green Spring Gardens.

Come to Green Spring on Saturday, November 5, 2016, to pick up tips on how to pair plants like a landscape designer by using contrasting leaf textures and color intensity. University of Delaware professor emeritus Bob Lyons will lead the program from 1:15 to 2:15 p.m. He will offer pragmatic examples of plant combinations that any gardener can use to create bold and beautiful plant vignettes. The cost of this program for adults is \$15.

Green Spring Gardens is located at 4603 Green Spring Rd., Alexandria, Va. For more information, call 703-642-5173 or visit <http://www.fairfaxcounty.gov/parks/greenspring/>.
