Calling All Future Veterinarians and Zookeepers!

Have you ever wondered what goes into taking care of all the exotic and interesting animals at a nature center, such as snakes, turtles, and toads? During Animal Vets at Ellanor C. Lawrence Park on November 7, 2016, your child can spend their day off from school with our exhibit animals. During the day-long workshop, children will learn how to clean tanks, and what to look for when checking on the health of animals. Children will have the chance to get up close and personal with the exhibit animals and learn personal responsibility. All this while having a great time. This program costs \$65 per child in-county and \$80 out-of-county.

Animal Vets runs from 9 a.m. to 3 p.m., for children age 6 to 13. Your child should bring a bag lunch, snack and drink. Ellanor C. Lawrence Park is located at 5040 Walney Road in Chantilly.
